THANK YOU SUSAN!

The Lushmeadows Association would like to thank Susan Powell for her six years of service to our community. Susan served on the Board of Directors as Financial Director and also as the Architectural Control Chair. She has volunteered her time and energy to help with a multitude of situations that needed prompt attention. We are truly going to miss Susan's infectious laugh, and her husband Robert Powell who served as Insurance Committee Chair.

The Powells are leaving our community and we want to wish them the best of luck in their new home.

Sincerely,
Linda Conforti, Kelly Henson-Faro, Micaela Gonzalez, John Patton, and Bernard Brown
(LMA Board)

COME VOLUNTEER with Lakes & Grounds

Do you love living in Lushmeadows? Then please consider volunteering to help care for it. Bernard has been doing the heavy lifting with Lakes & Grounds and he could use your help. A little goes a long way if we all pitch in.

With these cool winter temperatures, *now* is the time for: raking, moving branches to burn piles, and general clean-up. If you only have an hour to spare, no problem. We need YOU! We have the equipment. Just coordinate a day and time with Bernard and show up.

We'd like to say thank you to Jennie & Chad for their help with recent burn piles at Mallard Lake!

A Wonderful Winter in Lushmeadows

Oh, the hills are white with the wonderful snow of the season. Unlike last year when “buried” was the word spoken between neighbors, this year brings a nice flow of rain and occasional snow to our lovely community of Lushmeadows. If you haven't been to Dawn Lake lately try and stop in; it's such a calm comfortable spot to see the geese and ducks play in the nice full lake. My favorite time is January-March because you will be alone amongst the trees and wildlife. After a dusting of snow it really turns into a true paradise spot. Reminder even when there is no snow on the ground the residential roads around Lushmeadows can be slick. Happy 2024!
